WORK EXPERIENCE

MARKETING ASSISTANT KÄRCHER DENMARK JULY 2022 – MAY 2023

I work part time as a Marketing Assistant for Kärcher in Rødovre. Here I help with the simple marketing work and sometimes help with administration work. Beside that I get a lot of insight how to brand on social media as I work closely with the Marketing Manager.

XRAY OPERATOR ASSISTANT I-SEC MARCH 2022 – AUGUST 2022

I work part time as an assistant for I-Sec at the Kastrup Airport in different shipping companies such as, DHL, UPS, FedEx etc. I help the Xray operators with scanning of different types of goods.

SUBSTITUTE PEDAGOGUE ASSISTANT BØRNELY MARCH 2021 – JANUARY 2022

I've worked as full-time pedagogical assistant at a kindergarten in Næstved. Here I learned to do every task together with the other full-time pedagogues. Through this year I've developed a lot as a person and personal skills, one of these that I'm more work-oriented than ever before.

SALES ASSISTANT LYS VINTAGE AUGUST 2020 – NOVEMBER 2020

I moved to Hamburg, Germany to work for this design company for 4 months as intern, where I helped with customer service, refurbish the store and helping with online orders. While I was here, I had the opportunity to practice my German, which gave me more confidence in my German language outside my English.

SALES ASSISTANT BR NÆSTVED MARCH 2019 – FEBRUARY 2020

Here I worked with customer service, sales and helped in the warehouse. While I worked here, my boss was very pleased with my effort. I also contributed a small amount to their social media in their local store which also received a lot of appreciation.

INTERNSHIP REMISEN NÆSTVED SUMMER 2018

I had a short Internship to learn about social media and how to gather customers through different channels of branding.

EDUCATION

HIGHER EDUCATION COPENHAGEN SCHOOL OF DESIGN AND TECHNOLOGY JULY 2022 – NOW // BUSINESS ACADEMY EDUCATION

I am currently studying Multimedia Design as Marketing and Web Design. Here I learn how to create and design simple websites such as UX and IU design and Frontend. Beside this I also learn how to brand on social media and how to gain more customers via graphics and advertisements. When I am done with the first two years, I want to top-up my education to a bachelor's in international marketing and Design or even Frontend.

HIGHER EDUCATION CPH BUSINESS

FEBRUARY 2022 – AUGUST 2022 // BUSINESS ACADEMY EDUCATION

I am currently studying marketing economist on CPH Business. Here I have subjects such as, Marketing, Project Management, Innovation, Supply Chain and many more subjects relevant to my study programme. I chose this school as I've always had a huge interest in branding, marketing and how it all works from the inside of different companies. I chose to quit this education as it did not live up to my expectations.

COLLEGE ZBC NÆSTVED

AUGUST 2017 – JUNE 2020 // HHX, HIGHER COMMERCIAL EXAMINATION

For 3 years I've studied International Business at the "World Class" study programme. Beside graduating my education, I have helped a lot with different events that happened at the school and contributed quite a lot with the schools' social media. I've also been on two different study trips. First some weeks to Tennessee, USA to attend school there and living with an American family to learn English language and culture. We've also been in Argentina to attend an Intensive course on Spanish where we received a diplomacy for graduating Spanish exam in Buenos Aires, Argentina.

PRIMARY SCHOOL ELLEBÆKSKOLEN AFD. KALBYRIS

FINISHED 2017 // PRIMARY SCHOOL

I finished primary school at Ellebækskolen afd. Kalbyris in 2017 where I graduated.

PERSONAL LANGUAGE SKILLS

BEST -> WORST VERY GOOD / FINE / BASIC

LANGUAGE	READ	WRITE	SPEAK
Danish	Very good	Very good	Very good
English	Very good	Very good	Very good
Dutch	Very good	Basic	Very good
German	Fine	Basic	Basic

SOCIAL SKILLS

I'm very good at working independently and finding solutions to problems on my own. However, I enjoy working in teams so I can hear others' opinions on an issue. I am open towards others' opinions and always look at things with a different perspective. I excel at thinking outside the box.

TECHNICAL SKILLS

I am great with everything computer related. As I use most of my day Infront of a computer, I know much about it. I know everything from hardware to software etc. for example video editing and much about Microsoft Office programs. I have fine skills in all adobe programs, some better than others. I also have good knowledge in HTML, CSS, and JavaScript as I've actively been working with this since summer 2022. I've gained a lot of expertise in Frontend, and currently we are learning how to code in frameworks such as Astro and React. As of now, I've been working enough with coding to a point where I feel comfortable working with this in a professional environment.

ARTISTIC SKILL

I've had much about design and innovation on my previous school. I learned about architecture theory which I wrote about in my finals project at my college. Beside this I have studied the psychology behind the marketing design at my college as well. As for the past year I have been taught a lot in school about all designs related to coding, everything from Graphic design to the theory and phycological behind design elements.

OTHER SKILLS

Beside the already written skills I am an incredibly quick learner, effective, extroverted and I communicate great with all people. I am also very used to be working in busy and stressing environments.
